

MEDFORD, OREGON - MEDIUM DENSITY FIBERBOARD (MDF) LEED® 2009 CREDIT SUPPORT

MRc4 – Recycled Content

Roseburg MDF products are third-party certified by SCS for recycled content. The certificate is available to download from www.roseburg.com.

Arreis, Medite II, Medex, PermaCore FibrLite, Medite (all types)	92% Pre-consumer recycled
Medite FR	82% Pre-Consumer Recycled

MRc5 – Regionally Manufactured/Harvested

Manufacturing Location: 2685 North Pacific Highway
Medford, OR 97501

<u>Harvesting Region:</u>		Direction:		
0-50 miles	16%	North of Medford	69%	
51-150 miles	52%	South of Medford	33%	
151-230 miles	33%			

MRc7 – Certified Wood

Roseburg MDF can be purchased with the option of FSC® Mix Certification. FSC Mix is valued at 100% FSC for LEED MRc7. Since the product does not have chain of custody certification unless specified, you must request FSC prior to ordering. NOTE: Approved LEED documentation to support this credit does NOT include Roseburg's FSC Certificate. You must provide the supplier's invoice showing that the product purchased was FSC Certified and stating the FSC claim.

To verify the validity of Roseburg's FSC Certification – FSC-C017580 visit <http://info.fsc.org/certificate.php>

IEQc4.4 – Low-emitting Composite Wood

Roseburg's line of Sustainable MDF products is third-party certified by SCS as a No Added Formaldehyde (NAF) product. The certificate is available to download from www.roseburg.com.

Brands included in this certification: Arreis, Medite II, Medex, Medite FR, PermaCore
